**Message what Postion on a 20 you would like - and other information: I am the owner of Hull 907 and looking to build a solid crew for this season and beyond. I am looking for crew that are athletic and have some experience sailing, and sailing with spinnaker. Positions open are middle and foredeck. Racing will be Thursday evenings, and all regatta's.**

**Message what Postion on a 20 you would like - and other information: I own hull 510 and crew regularly on a j/35. Familiar with all positions but have worked foredeck and main the most. On an s/20 probably something that keeps me in the cockpit is best since I'm a young middle aged person. : )**
